

From IKMF- the Advanced Source of Krav Maga

Krav Maga

5-Day VIP, Executive, and 3rd Party Protection Course

Location: 1390 10th St., Berkeley, CA 94710 **Dates:** May 8-12, 2009

**With Head Instructor Eyal Yanilov
& other high level Israeli Instructors**

The Instructors:

Eyal Yanilov, IKMF Head Instructor

For close to 20 years, Mr. Yanilov was the closest assistant to the founder of **Krav Maga**, Mr. Imi Lichtenfeld & wrote the **K.M. manuals**.

Eyal has been training **K.M.** fighters and instructors for over 25 years - in Israel, USA, Europe, Australia & Asia - to L-E, Military, **VIP Protection** & the Civilian sectors.

Mr. Yanilov will be assisted by other high level **K.M.** & expert **Shooting** instructors.

Our Instructors for the Shooting, Tactics of Intervention & other relevant subjects belonged to Israeli Elite forces.

The Essence:

High level fighters' courses for Executive & 3rd Party **Protection**, suitable for different levels of units.

Course features unique principles, training methods, techniques & approaches for Defensive Tactics, Shooting and Driving. Skills include: Prevention & Avoidance skills; Use of different Weapons & Firearms; Defensive Tactics against **Armed or Unarmed Assaults**; **Hostage Rescue**; Protecting a **3rd Party**; Encountering **Multiple Opponents**; Mental & Tactical training.

Partial participation in the first 5 days of the course is also possible.

Certification – after successful completion,

**Course Location: 1390 10th St.
Berkeley, CA 94710**

Time: 8:00am – 6:00pm

Price: 5-day course – US \$ 1200.00

The Framework

A tentative **Timetable** and **Curriculum** will be supplied to interested candidates on request.

The course also includes relevant training sessions in the shooting range, CQB and Urban Course area. This is so future officers are able to integrate defensive tactics training with the other topics and aspects needed for the protection officer to be safe & competent, to complete versatile missions under stressful & dangerous conditions.

With indoor and outdoor training, simulations and scenario-based training, the participants will be elevated to the highest possible level mentally, physically, technically & tactically.

Firearms Policies

Each department, local, state, and federal has their own firearms policies. The **IKMF is not seeking to and will not override** those regulations. The IKMF will enhance the knowledge of defensive tactics (both with and without firearms), of the individual department's firearms policy.

The Organization - IKMF is the professional leader & the most globally active **K.M.** organization (operating in Europe, North America, and Far-east & South East Asia, Australia, Oceania & several Ex-Communist countries). We offer education, training, knowledge & problem solving through **research & experience**, the result of decades of activities in Israel & around

A Course by the IKMF - We have the Experience
